2013 Fall Scientific Meeting

Friday, November 15th, 2013 ~ 9:30 - 2:00

Sheraton Detroit Novi Hotel, 21111 Haggerty Rd Novi, MI 48375

Emerging Technologies

We invite all GLC members to join us for a scientific meeting on the topic of emerging technologies. Invited speakers Richard Popple and David Jaffray, will be joined by local speakers Martha Matuszak and Scott Hadley to discuss the use and implementation of imaging with radiotherapy planning and treatment, as well as the use and implementation of advanced treatment techniques like VMAT and flattening-filter free mode.

Attendees will enjoy a catered lunch

We have applied for 3 CAMPEP CE credits, which will be available to certified attendees

RSVP to Michael Huberts (glc.aapm@gmail.com) to reserve a spot

Registration fee: \$20 - GLC Members and Associate Members
Free - GLC Student and Resident Members
