## 2026 GLC-AAPM Spring Meeting

Thursday, April 9<sup>th</sup>, 9:00 am – 4:30 pm EST  
Broad College of Business, Management Education Center  
811 W. Square Lake Rd., Troy, MI 48098

We invite all GLC members to join us for our 2026 Spring Meeting with talks on radiopharmaceuticals, FLASH, and the AAPM's Educators Roadshow 2.0. The Spring Meeting will also include our annual MedPhys Slam competition and Young Investigators Symposium.

We have applied for 5.25 MPCEC to be available to certified members who complete the onsite survey.

**Gold Sponsors**

**Silver Sponsors**

**Bronze Sponsors**

2:45pm	Gold Sponsor Presentations	
3:00pm	Young Investigator Symposium	Cory Knill
4:00pm	Closing Remarks	Cory Knill

We have applied for 5.25 MPCEC to be available to certified members who complete the onsite survey.

Please register using the link below. There is a **\$20 registration** fee for members and it is free for associate members (ie. Students and residents). Please note you can pay via the PayPal link in the registration link or cash day-of on-site. [Registration Link](#)

For the YIS and MedPhys Slam, eligible participants, please submit your **presentation(s)\***, to [glc.aapm@gmail.com](mailto:glc.aapm@gmail.com) with the subject "GLC-AAPM Presentation Submission 2026 – YIS (and/or) MedPhys Slam." In your email, include your full name, presentation title(s), affiliation, and AAPM membership status by 11:59 PM on Marth 19<sup>th</sup>, 2026. Please specify whether you would like to participate in the YIS, the MedPhys Slam, or both. If you are participating in both, please note that each competition requires a separate presentation. The MedPhys Slam follows a strict format of a three-minute presentation with a maximum of three slides, while the YIS allows for a more traditional presentation. Your research topics may be the same for both, or you may choose different topics if you prefer. **\*Please note an abstract submission is not required.**
