

Improving communication with RAMPS membership

In an effort to improve communication with the RAMPS membership, board meeting minutes will be posted on the RAMPS web site (<http://chapter.aapm.org/ramps/>). All meeting announcements will be available both on the RAMPS web site and on the AAPM web site. More information will be posted on the RAMPS web page.

The best means of contacting the membership will be the AAPM web site. All members that are also members of AAPM should select RAMPS as their chapter (one can select more than one AAPM chapter). All RAMPS officers can mass email AAPM members that have self-identified as RAMPS members and post meeting announcements so that they will show up on the AAPM start page. We have a separate email list of members that are not members of AAPM, the secretary will post important announcements to this list.

Speaker evaluation and continuing education credits will be done by email – RAMPS has a new email address, rampsnyc@gmail.com, to which the evaluations can be sent.
