

NORTH CENTRAL CHAPTER
OF THE
AMERICAN ASSOCIATION OF PHYSICISTS IN MEDICINE

Spring Annual Meeting, April 24th 2009

Location: Eau Claire, WI – Best Western Trail Lodge

Registration 7:30 – 8:00

Early Registration Fee: \$10.00 (Prior to April 17th)

Registration Fee: \$15.00 (April 17th – 24th)

To register send an E-mail to:

radahl@mayo.edu

Payment can be made at the meeting by cash or check only

Registration fee includes continental breakfast, lunch, morning and afternoon snacks.

Application has been made to CAMPEP for medical physics continuing education credits (exact number still to be determined).

Meeting format consists of talks on PowerPoint slides. Discussion on the talks can occur either after the talk or prior to breaks/lunch depending on available time.

Student/Resident presentation competition will occur in the afternoon session with monetary awards given to the top three talks.

Practicing medical physicists, medical physics students, and medical dosimetrists will benefit from the talks at this meeting. Practical aspects of the practice of medical physics are emphasized in the presentations.

Objectives

- To become familiar with the professional issues facing with medical physicists through the lectures given by leading authorities, which include the president-elect of AAPM and the CAMPEP residency program review committee chair.
- Review the technical issues on dosimetry standards and physics involvement in the implementation of an electronic medical recording system.
- Become familiar with devices for patient treatment QA and determination organ motion.
- Become familiar with newer treatment options for the lung and liver.
- To become acquainted with the research being performed by members of our chapters and gain knowledge useful for their work. Including dosimetry of MammoSite treatments, radiation-chemotherapy synergy, new brachytherapy seed dosimetry, and artifact reduction in helical CT.

The chapter meetings are wholly supported by the member/vendor annual dues and meeting registration fees.
