Instructions to Presenters - In the past, the Friday after noon sessions have provided local experts and those in training an excellent opportunity to present their latest research results or technical overview on a large variety of medical physics topics of interest. Please use the AAPM Annual meeting form at when submitting your work for review including Title and Affiliation, Purpose, Method and Materials, Results, Conclusions, Conflict of Interest Statement either by an abstract not to exceed 300 words and support material (optional) or 5 - 10 representative slides (PPT format) of the proposed presentation. Each speaker will be given 10 - 12 minutes for presentation with allotted time for questions. Please submit these materials to Chapter Secretary, Tony Combine at combinea@upmc.edu by Sept 17, 2010 for full consideration.

Application for CAMPEP and MDCB credit is in progress
