2024 GLC-AAPM Spring Meeting

Thursday, April 11th, 9:00 am – 4:00 pm EST
Henry Ford Hospital, E&R Building 2799 W Grand Blvd,
Detroit

We invite all GLC members to join us for our 2024 Spring Meeting with presentations on automated quality assurance, radiobiology, and FLASH therapy. The Spring Meeting will also feature both our annual MedPhys Slam competition as well as our Young Investigator's Symposium. Please join us for a day of engaging talks as well as showing support for our local medical physicists early in their careers.

We have applied for 5 MPCEC hours
